

DISCUSSION QUESTIONS FOR THE WHOLE FAMILY

God's People

1. (Recall) When God's people walked through the sea on dry ground, with walls of water on either side, what do you think that moment would have felt like for someone your age?
2. (Connecting) The Bible links that walk through the sea to baptism today — going through water as a sign that you belong to God's people. Have you been baptized yet? Why or why not?

God's Protection

3. (Recall) God kept the flies away from Goshen, where His people lived, but let them swarm everywhere else in Egypt. Why do you think God wanted to make that difference so obvious to everyone watching?
4. (Understanding) Some Egyptian families ended up joining God's people and walking through the sea with them too. What does that tell us about who gets to belong to God's people?

Bringing It Together

5. (Personal) Sometimes God's people go through hard things (like the frogs and gnats), and sometimes they're protected from hard things (like the flies). Has there been a time you felt God protect you? A time you had to go through something hard anyway?
6. (Application) The Big Question from the message: will you be like the Israelites and Egyptians who trusted God to rescue them, or like Pharaoh who kept turning away? What's one way you could show trust in God this week, even when you can't see what He's doing?
