## Daily Reading Plan

Reading God's Word should be life-changing. Reading it is more than just going through it like a book, but it is partnering with the Holy Spirit to understand what you are reading and to apply it. One way to help us do this is to look at four simple words as you read...

**READ   LISTEN   OBEY   SHARE**

### Read

Is to take the time to go through passages of Scripture and see what God was doing back then and what He is saying to you now.

### Listen

Is to pray through the passage and see what God is saying through the Word with the help of the Holy Spirit.

### Obey

Once you have an idea of what God is calling you to do as a result of what you read, it is important to ensure you obey it. To do what God is calling you to do!

### Share

To then share this with others around you.

- Community Group is a great place to share what you are learning.
- Your family—a great step may be to do this plan as a family and to share what you are learning with them.
