

FAMILY EXPERIENCE

Parable of the Wise & Foolish Builders: Luke 6:46-49

Supplies Needed:

(These supplies can be used during the video to help tell the story or afterwards)

- To build with (Graham Crackers or Lego or wooden blocks)
- Glue - Small rocks & sticks - Playdough

Questions & Creations:

(These are suggestions for your family to explore God's Word together through conversation and play)

Family Questions:

- Why do you think Jesus continued to use parables to teach?
- What in this parable is the foundation that's made of rock?
- Why do you think this was one of the first parables Jesus told?
- Did both builders hear Jesus' words? If so, what's the difference between them?
- How can we build our family's life on the words of Jesus?

Kids ask Parents:

- Have you ever tried to build something before and it didn't work?
- Share a storm that you experienced in your life and how you got through it?

Recreate:

As a family, you can create a building or house using any supplies you have around your home. Editable options like crackers and peanut butter would be fun!
