

He Will Do It — Small Group Discussion Guide *Exodus 2:23–3:9*

1. Think about a story — movie, show, or book — where you assumed one character was the hero but it turned out someone else was. What does that have to do with how we read Exodus?
2. Israel cried out for rescue for around 40 years before anything changed. Have you ever felt like God was distant or disinterested in something you were going through? What's the difference between God being disinterested and God being delayed?
3. Read Exodus 3:7–8. God says "I have come down to rescue." What does it tell you about God that he doesn't just observe the problem — he moves toward it?
4. The sermon named programs, strategies, and spiritual celebrities as things we can quietly put our hope in instead of God. Be honest — is there anything in your own life where you've been doing that?
5. The Big Idea was: *Remember the Remember-er will do it.* What is one specific thing you're facing right now where you need to actually live like God is the one who rescues — not you, not a plan, not another person?
