## Encouragement

Wes Linde

Words can \_\_\_\_\_ people up but they  
can also \_\_\_\_\_

If we don't encourage others, it has an effect on \_\_\_\_\_,  
and the entire church.

The future of the world hangs on our \_\_\_\_\_

If you want to be \_\_\_\_\_, then  
you need to get up every morning and be a person that encourages others.

## Application

Step 1: What area of my life should I go spread some encouragement in?

Step 2: What would be \_\_\_\_\_ to pass on to someone?

Step 3: Allow for Divine \_\_\_\_\_ in your life.

### **Post service questions**

1. When have people encouraged you in your life? What was said to you?
2. When have people not encouraged you in your life? How did that feel?
3. What is it like for you to give or receive words of encouragement?
4. How do you recognize the voice of the Spirit of God?

### **Weekly Challenge**

Encourage at least one other person this week. If you do more than one, encourage both someone you know and someone you haven't known previously.

### **Monthly Challenge**

Keep doing 1 or 2 a week for a month, journaling as you go. What have you see in your life that has changed from being more intentional with encouraging others? What stories have surfaced?

### **1 Year Challenge**

Go through your journal month by month over the past year. How has this year been different for you than the previous year in regards to encouraging others?

What type of discipline is now in place that wasn't before?
