## SR Kids / HUB / Jr HUB - COVID -19 Safety Policy

### All SR Kids / HUB / Jr HUB Events:

- We will gather in groups limited to no more than 50 patrons in different spaces in the building
- Groups will have their own entrance/exit
- Groups will use separate washrooms
- We will only use spaces that are big enough to allow for physical distancing
- Anyone who is feeling sick is asked to stay home until they are no longer experiencing symptoms, or have been cleared to attend by a health professional
- If an event exceeds 50 patrons, or is deemed too large for what the space can accommodate, the group will either:
  - Split into smaller groups in different parts of the building
  - Move the event outside into different spaces
  - Cancel the event if it can't be done safely
- Attendance will be taken to allow for contact tracing

### On-Site Events:

- Each space/group will have its own entrance/exit. Please ensure appropriate spacing when arriving so as to keep social distancing. Either floor markers or cones will be used to keep guests in a spaced line.
- Each space/group will have its own washroom facilities
- A host will greet you and help you check in, ensuring you are healthy to be here, sanitize your hands and direct you where to go
- Masks:
  - Masks are not mandatory for those that are under 12 years of age
  - Masks are expected to be worn upon arrival and throughout the event. At certain times, the leader may decide to make masks optional when appropriate distancing is maintained, such as:
    - When outside
    - When sitting and maintaining physical distancing
    - Other times as deemed safe by the leader in charge

REV

- Masks will be used when physical distancing cannot be maintained. This includes:
  - When checking in and mingling before and after events
  - During some games
  - When in any high-traffic areas
  - If and when singing is allowed to be introduced
- Hand sanitizer will be used before and after any activities that require more than one person to touch the same item, such as:
  - Throwing a Frisbee, Carpet ball, different games
- Any tagging/touching/contact during a game will need to happen through use of another item such as a pool noodle, ball, etc.
- No physical touching between people who are outside of the same household. This includes hugging, high-fives, fist bumps, elbow-bumping, etc.
- Snacks and refreshments will only be served if they are individually wrapped or served by a designated food server wearing a mask. There will be no communal food service.
