

WE ARE LOOKING FOR YOU...

If you have a heart for persons of various (dis)abilities, and you desire to see them be incorporated into the life of the congregation of Jesus followers—then we want you to consider joining the SouthRidge team in our Thrive ministry.

SO WHAT'S IT LIKE TO WORK AT SOUTHRIDGE?

- With our mission of 'Love God. Change the World. One Life at a Time' you'll be working to ensure that the *one life* that requires extra support belongs in our community
- We have lots of events outside of Sunday morning that make sure the Thrive ministry, well, thrives
- You'll be working with the Thrive team on Sunday mornings, along with training events and special events to support our Thrive families

WHAT DO YOU NEED TO SUCCEED ON OUR TEAM?

- Your own vibrant relationship in following Jesus daily
- You need to be adaptable. Life doesn't go the way we plan, but we need to keep going and serve Jesus and his church the best we can
- This isn't a fulltime job, which means you will probably be involved in other things outside of this role
- A comfort with planning and facilitating events

Thrive Operations Coordinator
