Lock Activity

LOCK ACTIVITY

Give your child your set of keys, and have them find the right key to open each door, (house key, car keys, bike lock).

Discuss:

- How each lock has only one key that works to open the door.
- How there is only one way to open the door to enter Jesus gift of salvation, (being saved from our sin and the darkness of this world), that is through asking Jesus to forgive your sins/bad choices, and asking him to live inside of you for ever and ever.
